

AUGUST 2026

## NorthernVirginia Magazine Top Financial Professionals in 2026.

Dear Valued Clients,

We're proud to share that Michelle Hundley, JD, CFP® and Kevin McLoughlin, CFP® have again been named among Northern Virginia Magazine's Top Financial Professionals in 2026. This honor reflects nominations from fellow professionals including CPAs, Estate Attorneys and Financial Planners—answering the question, “To whom would you refer your family and friends?”

Their inclusion underscores their unwavering commitment to excellence, integrity, and the personalized care you've come to expect.

The full listing can be found in Northern Virginia Magazine's September 2026 issue.

Methodology: To compile the Top Financial Professionals listing, the magazine sent surveys to all Northern Virginia financial professionals, asking them to recommend other financial professionals whom they would refer to friends and family. The magazine then vetted those nominated by consulting various publications to determine the list of winners. Although some Top Financial Professionals winners choose to advertise in the magazine, they cannot pay to be included on the list. The listing and the advertising section are separate entities.
